2018 WINTER / SPRING BONUS SESSION

Welcome to our 2018 Winter/Spring bonus session at Barb's Centre for Dance. We are pleased to continue offering the most professional instruction along with one of finest dance facilities in the state. It is always our goal to provide the most comprehensive dance experience available for students of all ages and skill-levels.

About our Winter/Spring Bonus Session

While our main school-year dance session runs from September – May, each year we always try to begin some new classes or allow enrollment in existing non-recital classes during the 2nd semester depending upon studio availability. This year, our winter/spring session will feature the following classes beginning the week of January 29, 2018:

Conditioning/Flexibility & Leaps/Turns	Wednesdays	7:15 - 8:00pm	Studio C
2 Year Old Movement	Thursdays	10:00 - 10:30am	Studio C
3-5 year old Tap and Pre-Ballet*	Thursdays	10:30 - 11:30am	Studio C
4-6 year old Hippity-Hop	Fridays	6:00 - 6:45pm	Studio C
7+ years old Hip Hop	Fridays	6:45 - 7:30pm	Studio C

*this class is an existing spring-recital class with room for additional, new students. Registering for this class will require participation in the spring recital (weekend of May 18-20, 2018) and purchase of the class costume for the recital. Because this is an existing, full year class, new enrollment will begin on Thursday, January 18th.

Classes meet for 14 sessions beginning the week of January 29th and continue through Friday May 11th, 2018. Classes will not meet the week of March 26th for Spring Break.

The winter/spring session is an excellent opportunity to get a head start for next year or to determine interest levels before committing to a full year session. To confirm your space in one of the classes, please complete and return the attached registration form by Friday, January 26th 2018.

Class Observation

Because winter/spring session classes do not perform in our spring recital (just not enough time to prepare!), parents and grandparents may observe class twice during the session. You may observe the week of March 12th, 2018. You may also observe during the last week of classes to give the students an opportunity to "show-off" what they have learned. (The last week of class "show-off" does not apply to the 3-5 year old Tap/Pre-ballet class on Thursdays at 10:30am since this class will be in the Spring Recital.) Observing class is not permitted at any other time.
